PUPILS' COOKBOOK WITH 'SECRET RECIPES'

FIVE Primary 6 pupils from North View Primary School have whipped up a cookbook to raise \$5,000 for All Saints Home.

Recipes Of Love went on sale on Oct 26. The 24-page book has recipes of local favourites like mee siam, kuch pie tee and popiah.

These were gathered by the pupils who had interviewed elderly residents from the Home.

"They're secret recipes!" said Fong Yoke Mun, 12, one of the five pupils.

Their after-class community involvement project had mentors from CityCare, a non-profit organisation, and their own teachers too.

At \$15 each, the book may be bought from the school. All proceeds go to the Home.
